

The Department of Community Affairs recently announced that the Low Income Home Energy Assistance Program (LIHEAP) is now accepting applications for the upcoming heating season. As a service to local residents, could you please share the following information with any civic, senior citizen or community service organization in your area that might find the information useful and post the attached information on your municipality's website? For more information on LIHEAP, please call 1-800-510-3102.

Thank you for your cooperation,

The New Jersey Department of Community Affairs
