Dear Mayor/Police Chief:

Fall is here once again heralding the beginnings of another Influenza Immunization Season.

The Gloucester County Department of Health and Senior Services will be providing flu shots to the citizens in every municipality. There is a schedule enclosed for your use. Municipal employees who are residents of Gloucester County may avoid the lines by coming in the last 15 minutes of the clinic. On duty police officers may avoid the lines by completing the consent form and going to the head of the line so that they may return to duty.

The schedule provided may be posted in any public area of your facilities. Flu clinics, especially offered earlier in the season, tend to be quite busy. In these instances, we want you to be aware that surrounding traffic might become congested during the clinic session. We of course, appreciate any help/support you might be able to provide in ensuring driver safety.

Thank you in advance, for partnering with us in this Public Health Program initiative and stay well throughout the season!

Sincerely,

Elizabeth Grant RN
Flu Manager
