GLASSBORO VFW BECOMES NEW POLLING LOCATION FOR VOTING DISTRICT 1 AND 2 RESIDENTS

*Borough web site enhancements provide street-by-street
voting location data and other aids for residents*

GLASSBORO—The Borough of Glassboro will add the Glassboro VFW (275 Wilmer Street, Glassboro) as a voting location for Glassboro Election District 1 and 2 voters beginning with the June 7, 2011 Primary Election. Previously, these residents voted at Borough Hall. The Glassboro Municipal Clerk's Office has also posted a street-by-street directory online at www.glassboroonline.com and made additional updates to the web site to make the voting process more efficient.

Registered voters in Election Districts 1 and 2 have already received letters noting the change in polling location.

The Glassboro web site has been enhanced to provide additional information and direction for local voters. A new street-by-street directory is helping voters confirm appropriate polling locations. In addition, the site contains complete Voter Registration and Vote by Mail information. Forms, instructions and deadlines are also available.

"Adding the VFW as a polling location is a recognition of population increases in some areas of town. Glassboro officials continue to make every effort to make the voting process seamless and efficient for all of our residents," said Councilman Joe D'Alessandro.

More information is available by contacting Municipal Clerk Patricia A. Frontino at 856-881-9230, ext. 88116 or pfrontino@glassboro.org or by visiting the Glassboro web site at www.glassboroonline.com.
